

DIGITAL DIALER

Alarm triggered at premises.

Alarm system auto-dials number that is managed by our contracted company, Hackett Security.

Auto-dial number bounces directly to our Police Dispatch at West Central Dispatch and they send an officer.

CENTRAL STATION

Alarm triggered at premises.

Alarm system auto-dials to your Alarm Company's call center. A representative verifies the call and the need for police.

Alarm Company's call center calls our police at West Central Dispatch and asks for an officer to be sent out.

LOCAL ALARM

Alarm alerts on premises only. No call is made to Police dispatch.
